

Certification of Internship

This is to certify that Qiyuan Qiu worked as an intern in the Hangzhou Shimin Street Securities Business Department of China Galaxy Securities Co., Ltd. from June 9, 2025 to July 9, 2025.

During his internship, Qiyuan Qiu diligently fulfilled his responsibilities and actively supported the assignments arranged by his supervisor and team members, demonstrating strong professionalism and a solid capacity for learning. He approached tasks with a rigorous and responsible attitude, effectively contributing to the smooth progress of related work.

Qiyuan possesses strong skills in comprehension and communication. He is able to quickly grasp key points and execute tasks efficiently. In team collaboration, he has shown excellent communication awareness and team spirit. His keen interest in financial markets, combined with his academic background, enables him to understand market phenomena with a notable degree of professional sensitivity and analytical ability.

Throughout this short-term internship, Qiyuan displayed a down-to-earth attitude and made noticeable progress, reflecting strong potential for future development. We believe he will continue to leverage his strengths and achieve greater success in both his academic and professional pursuits.
